

THE BEST TRAINING CENTER IN THE WORLD

IRCAD is one of the leading surgical education providers in the world, an ambassador of French excellence in minimally invasive surgery. The Institute offers unique training facilities, and welcomes over 8,800 surgeons from all surgical specialties every year. The remarkable involvement and self-commitment of more than 800 international experts, who are recognized as international opinion leaders, is key to the Institute's success.

FULL IMMERSION IN SKULL BASE SURGERY

4 days are dedicated to microscopic and endoscopic approaches to the skull base. This full immersion workshop is divided into 2 parts with theoretical training and hands-on sessions, and is intended for **neurosurgeons, ENT specialists, fellows and residents in training.**

Theoretical training includes live surgical demonstrations, and a panel of **world-renowned experts** will deliver didactic lectures focusing on skull base anatomy, transcranial, endoscopic-assisted and endoscopic endonasal approaches as well as therapeutic strategies for skull base lesions.

Hands-on training includes a total of 27 hours of practice on cadavers, with dissection techniques covering a broad

spectrum of open keyhole, endoscopic, assisted endonasal and combined approaches.

The topics tackled during this course include acoustic neuroma, microvascular decompression, radiosurgery for skull base lesions, pediatric skull base neurosurgery, brainstem cavernomas, chordomas, revascularization and reconstruction techniques.

NEW

One additional day is dedicated to the newest radiation therapy techniques for skull base lesions including radiosurgery, proton beam therapy, carbon ion therapy with practical sessions for radiosurgery.
