

COMMUNICATIONS

Résistances Pluridrogues (MDR)

1993 - 2015

Last update: 2015-05-12

1. Pencreach E., Arrivé M., Raffelsberger W., Lelong-rebel I., Larsen A.K., Gaub M.P., Guenot D. **Rational design of effective therapy combining irinotecan and rapamycin to target m TOR/HIF-1 alpha axis in colon cancer.** *20th EORTC-NCI-AACR Symposium on Molecular Targets and Cancer Therapeutics*, Geneva (Switzerland), 21-24 October 2008. Poster presentation.
2. Pencreach E., Arrivé M., Raffelsberger W., Lelong-rebel I., Larsen A.K., Gaub M.P., Guenot D. **Rational design of effective therapy combining irinotecan and rapamycin to target mTOR/HIF-1 alpha axis in colon cancer.** *20th EORTC-NCI-AACR Symposium on Molecular Targets and Cancer Therapeutics*, Kos (Greece), 21-24 October 2008. Poster presentation.
3. Lelong-rebel I., Rebel G., Bergerat J.-P. **Spatial redistribution of P-glycoprotein linked to estradiol treatment in endometrial and prostatic cancer cells.** *Eighth International Conference of Anticancer Research*, Kos (Greece), 17-22 October 2008. Poster.
4. Lelong-rebel I., Pencreach E., Rebel G., Bergerat J.-P. **Alteration of chemotherapeutic effect of anticancer agents linked to hypoxia of MDR and non-MDR Lo Vo colon carcinoma cells.** *Eighth International Conference of Anticancer Research*, Kos (Greece), 17-22 October 2008.
5. Pencreach E., Arrivé M., Lelong-rebel I., Rebel G., Guenot D., Gaub M.P., Guérin E. **Synergistic activity of rapamycin and irinotecan combination therapy on colon cancer in vivo and in vitro.** *AACR Special Conference - Recent Advances in Colon Cancer Research*, Boton (USA), 14-17 November 2007. Poster presentation.
6. Pavlou P., Kyriazi M., Dadesshidje I., Bajelidje N., Papagiannis C., Verikokidis A., Yova D., Rallis M., Papaioanno G., Rebel G., Rebel I. **Mouse keratinocyte culture: A useful model in pharmacology.** *12th Panhellenic Pharmaceutical Congress*, Athens (Greece), 14-16 May 2005.
7. Lelong-Rebel I.H., Rebel G. **Effects of 'Physiological hypoxia' on human endometrial adenocarcinoma variants.** *Session 35 'Molecular biology of cancer'. Seventh International Conference of Anticancer Research (supported by IAR - October 25-30 2004)*, Corfu (Grèce), 28 October 2004.
8. Collery P., Maynard I., Bourleaud M., Estevez G., Rebel I., Rebel G., Badawi A. **Metal ions and cancer cells. Session 32: 'New anticancer agents'.** *Seventh International Conference of Anticancer Research (supported by IAR - October 25-30 2004)*, Corfu (Grèce), 27 October 2004. Abstract 91 publié dans *Anticancer Research* ISSN : 0250-7005, vol 24, nb5D, sept-oct 2004.
9. Lelong-rebel I., Brisson C., Voegelin J., Wersinger C., Rebel G. **Are differentially altered sensitivities to doxorubicin and to 5-FU defense lines linked to intracellular localization of P-glycoprotein in Lovo colon carcinoma cells ?.** *94th Annual meeting AACR*, Washington (USA), 11-14 July 2003. Washington Convention Center.
10. Lelong-rebel I. **Phosphorylation de la P-glycoprotéine : un rôle controversé.** *Franco-Belge ABC Protein Meeting*, Paris (France), 24 June 2003. Organized by Holland B., Chimini G. and Goffeau A. Faculté de Pharmacie - Paris V.
11. Lelong-rebel I., Brisson C., Voegelin J., Wersinger C., Rebel G. **Are differentially altered sensitivities to doxorubicin and to 5-FU defense lines linked to intracellular localization of P-glycoprotein in Lovo colon carcinoma cells ?.** *Annual meeting AACR*, Toronto (Canada), 01 April 2003. Abstract nb 3762.
12. Lelong-rebel I., Brisson C., Voegelin J., Rebel G. **Intracellular localization of P-glycoprotein and antimetabolic drug altered sensitivity in non-MDR versus MDR colon cancer carcinoma : a collateral defense line against antineoplastic drugs ?** **Communication : Abstract n° 86. ATP-binding cassette (ABC) proteins : from multidrug resistance to genetic disease.** *ABC 2003 - The 4th FEBS Advanced Lecture Course*, Gosau (Autriche), 04-08 March 2003.
13. Rebel G., Voegelin J., Wersinger C., Lelong-rebel I. **Modulation of multifactorial intrinsic resistance of Lovo colon carcinoma cells by pO2 levels.** **Communication : Abstract n° 86. ATP-binding cassette (ABC) proteins : from multidrug resistance to genetic disease.** *ABC 2003 - The 4th FEBS Advanced Lecture Course*, Gosau (Autriche), 04-08 March 2003.
14. Lelong-rebel I., Wersinger C., Voegelin J., Rebel G. **Comparative studies on the effect of taurine and of various antioxidants on the growth and anticancer drug sensitivity of tumoral cells cultured either in standard air-5%CO2 atmosphere or at the pO2 found in tumors.** *Conferences sur invitation et chairing "Taurine in the 21st Century"*, Hawaii (USA), 20-23 September 2002. Radisson Kauai Beach Resort.
15. Rebel G., Deret S., Voegeli J., Lelong-rebel I. **Taurine uptake in cultured cells varies with the culture conditions : study of endometrial Ishikawa cell lines.** *Conferences sur invitation et chairing "Taurine in the 21st Century"*, Hawaii (USA), 20-23 September 2002. Radisson Kauai Beach Resort.
16. **Ensemble de séminaires consacrés aux Technologies de la Culture Cellulaire. Applications : Hépatocytes et Hépatomes en Cultures.** *Sensibilisation des utilisateurs de la culture cellulaire à certaines formes de contaminations pathogènes chez le Dr M. Padieu - INRA, Dijon (France)*, 08-10 April 2002.
17. **Séminaires dans le cadre de « Partages de Technologie de Cultures » et « Multirésistances en Chimiothérapie Anticancéreuse » chez le Professeur Jacques Robert.** *Centre Anticancéreux Bergonie, Bordeaux (France)*, 02-17 February 2002.
18. Deret S., Lelong-rebel I., Rebel G. **Effets de l'hypoxie et du tamoxifène sur la prolifération de cellules hormono-dépendantes : Etudes de la variabilité des propriétés des lignées disponibles.** *XXVIIIème Forum des Jeunes Chercheurs de la SFBBM*, Strasbourg (France), 03-07 September 2001.
19. Rebel G., Lelong-rebel I. **Invasion and Metastasis.** *International conference organized and supported by the International Institute of Anticancer Research*, Kapandriti - Athènes (Grèce), 14-17 June 2001. Participation au congrès.
20. Rebel G., Lelong-rebel I. **New Anticancer Agents.** *International Conference organized and supported by the International Institute of Anticancer Research*, Kapandriti - Athens (Greece), 09-12 June 2001. Lelong-Rebel I. in the Organizing Committee of this meeting.

21. Brisson C., Lelong-rebel I., Mottolese C., Fevre-montange M., Jouvét A., Belin M.F. **Modèle d'études de cellules tumorales épendymaires humaines en coculture avec des cellules endothéliales 'tubulaires' en matrigel. Résultats préliminaires.** *Société Française de Neuropathologie*, Lyon (France), 08-09 June 2001. CIRC, 150 Cours Albert Thomas 69372 Lyon.
22. Lelong-rebel I., Margaroni M., Wersinger C., Deret S., Delinassios J.G., Rebel G. **Effect of oxygen pressure on epithelial cancer cell and stroma fibroblast cell growth and properties in vitro. 'Antioxidants in Cancer Prevention and Therapy'.** *International Conference organized and supported by the International Institute of Anticancer Research*, Kapandriti - Athènes (Grèce), 04-07 June 2001.
23. Brisson C., Lelong-rebel I., Mottolese C., Fevre-montange M., Jouvét A., Belin M.F. **Modèle d'études de cellules tumorales épendymaires humaines en coculture avec des cellules endothéliales 'tubulaires' en matrigel. Résultats préliminaires.** *6ème Colloque National d'Angiogenèse*, Paris (France), 27-28 April 2001. Institut des Vaisseaux et du Sang (IVS) Hôpital Lariboisière.
24. Lelong-Rebel I.H., Brisson C., Rebel G. **Differential intracellular distribution of MDR proteins in LoVo cell variants.** *Symposium "Mechanism - Function and Clinical Relevance of P-gps"*, Gosau (Autriche), 03-10 March 2001. 3d Advanced Lecture Course. ATP-Binding Cassette (ABC) Proteins: From Multidrugresistance to Genetic Disease. Abstract n°135.
25. Rebel G. **XVèmes Journées de la Société française de Chirurgie Digestive.** *Palais des Congrès, Vichy (France)*, 07-08 December 2000. Participation au congrès.
26. Rebel G., Lelong-Rebel I.H. **Journée d'information sur les problèmes liés à l'utilisation de la culture cellulaire.** *INRA, Jouy-en-Josas (France)*, 07 July 2000. Journée de séminaires sur invitation.
27. Rebel G. **Séminaire de cytotechnologie.** *Faculté de Médecine Laennec, Lyon (France)*, 09 December 1999. Conférence sur invitation, U 433 INSERM, rue Guillaume Paradin.
28. Rebel G. **Use of 3-dimensional culture systems for cancer studies.** *Workshop: Basic Research in Brain Tumors*, Munster (Allemagne), 24 November 1999. Westfälische Wilhelms-Universität Münster, Conférence sur invitation.
29. Wersinger R. **Point sur la résistance aux drogues : recherche d'agents susceptibles de moduler les effets secondaires d'agents de chimiothérapie utilisés pour les cancers chimiosensibles et résistants - Implications de la taurine.** *Réunion de la Ligue Contre le Cancer - Comités Départementaux du Bas-Rhin et du Haut-Rhin*, Strasbourg (France), 21 November 1999.
30. Lelong-Rebel I.H., Chair person. **Session 4: Signalling, gene expression, IAR.** *International Conference on Oxidative Stress in Skin Biology and Medecine*, Kapandriti - Attiki (Grèce), 14 September 1999.
31. Rebel G., Lelong-Rebel I.H. **Antioxidant properties of taurine.** *International Conference on Oxidative Stress in Skin Biology and Medecine*, Kapandriti - Attiki (Grèce), 13-16 September 1999. Conférence sur invitation. International Institute of Anticancer Research.
32. Rebel G., Chair person. **Session 1: Oxidative stress and Antioxidants, IAR.** *International Conference on Oxidative Stress in Skin Biology and Medecine*, Kapandriti - Attiki (Grèce), 13 September 1999.
33. Rebel G. **The use of 3D cultures in Pharmacology and Toxicology.** *International Institute of Anticancer Research*, Kapandriti - Attiki (Grèce), 01 September 1999. Séminaire sur invitation.
34. Rebel G., Lelong-rebel I. **Antioxidant properties of taurine.** *International Taurine Symposium 1999 -Taurine and Excitable Tissues: Certosa di Pontignano*, Sienne (Italie), 04-08 August 1999. Conférence sur invitation.
35. Lelong-Rebel I.H., Rebel G. **Taurine Uptake Measurements of Cultured Cells in a CO2 Independent Medium.** *International Taurine Symposium 1999 -Taurine and Excitable Tissues: Certosa di Pontignano*, Sienne (Italie), 04-08 August 1999. Conférence sur invitation.
36. Rebel G., Lelong-rebel I. **Chirurgie Endocrinienne.** *VIème Congrès de l'Association francophone de Chirurgie Endocrinienne*, Lille (France), 10-12 June 1999. Participation au congrès.
37. Lelong-Rebel I.H., Zhang J., Cardarelli C.O., Pastan I., Gottesman M., Ambudkar S. **Phosphorylation of P-glycoprotein from KB multidrug resistant cells in a reconstitution system.** *2nd FEBS Advanced Lecture Course on "ATP-Binding Cassette Transporters : From Multidrug Resistance to Genetic disease"*, Gosau (Autriche), 20-27 February 1999.
38. Wersinger C., Rebel G., Lelong-Rebel I.H. **Taurine uptake in human MDR and non-MDR KB and LoVo tumour cell lines in culture.** *Sixth International Conference of Anticancer Research*, Kallithea - Halkidiki (Grèce), 21-25 October 1998. Résumé publié dans le journal *Anticancer Res.*, vol 18 n°6C, p 4972, 1998.
39. Rebel G. **Participation à la cinquième réunion de l'EUC (European Cancer Center, Basel - Freiburg - Strasbourg).** *Organisé par le Service d'Onco-Hématologie des Hôpitaux Universitaires de Strasbourg*, Strasbourg (France), 16 October 1998.
40. Wersinger C., Lelong I.H. **Participation à la seizième réunion du CECED (Club d'Etudes des Cellules Epithéliales Digestives).** *Organisée par l'unité U 381 de l'INSERM*, Strasbourg (France), 11-12 December 1997.
41. Wersinger C., Guerin P., Rebel G., Lelong I.H. **Characterisation of Taurine uptake in human MDR and non-MDR tumor cell lines in culture.** *5th International Congress on Amino Acids*, Kallithea - Chalcidique (Grèce), 25-29 August 1997. Résumé publié dans *Amino Acids*, vol 13, 1997.
42. Lelong I.H. **La P-glycoprotéine : un transporteur membranaire associé au phénotype MDR (résistance pléotropique aux agents anticancéreux).** *Colloque 'groupe d'étude des interactions molécules membranes' ; Groupe Français de Bioénergétique.* *Société Française de Biophysique*, Toulouse (France), 25-29 September 1995.

43. Rebel G. **Taurine uptake in cultured cells.** *International Taurine Symposium 1995, Cologne (Allemagne)*, 29 August - 01 September 1995.
44. Rebel G., Petegnief V., Lelong I., Llieu P.L. **Study on the different effects of the taurine analogs on taurine uptake by cultured nervous cells when present during the cell culture or the uptake measurement.** *International Taurine Symposium '95' ; Taurine : basic and clinical aspects, Osaka (Japon)*, 27 June - 01 July 1995.
45. Rebel G. **Modification of Secreted Proteins by Cultured Cells in Culture Media.** *1st International Symposium "Trends in peptide research", Perugia (Italie)*, 14-18 May 1995.
46. Lelong I.H. **ATP/GTP-dependent Phosphorylation of the P-glycoprotein, the Transporter Responsible for Multidrug Resistance.** *1st International Symposium "Trends in peptide research", Perugia (Italie)*, 14-18 May 1995.
