REGISTRATION FEES INCLUDE	NAME & SIGNATURE:	
> Theoretical sessions	NAME & SIGNATURE.	
> Live or pre-recorded operative demonstrations		
> Hands-on sessions on live tissue (mini-pigs)		
> Robotic system initiation		
> Coffee breaks and lunches		
> One dinner		
> European CME credits (ECMECs)		

The IRCAD complies with the French data protection act known as « Informatique et Libertés » and with the European General Data Protection Regulation (GDPR).

IRCAD: INNOVATION & EXCELLENCE FOR SURGERY

The IRCAD offers an exceptional training facility, welcoming over 7,200 surgeons fromm all surgical specialties every year. It is considered one of the leading surgical education providers in the world in the field of minimally invasive surgery. With the world's top experts, the perfect mix between theoretical sessions and hands-on practice, and the latest generation of robots, the IRCAD experience will answer all your needs.

FULL IMMERSION IN UROLOGIC SURGERY

Over these last few years, the minimally invasive approach has gradually superseded the conventional open approach in several urological surgery indications.

Thanks to the quality of operative vision provided by high-definition 2D or 3D cameras and to the precision of laparoscopic surgery maneuvers, this minimally invasive approach has allowed to improve the quality and accuracy of interventions and to ensure their safety, mainly for cancer treatment. Surgical progress combined with **robotic assistance and conventional laparoscopy** have gradually taken off and led to enhanced precision surgery.

All urological procedures using these laparoscopic or robot-assisted techniques make up IRCAD training programs in urological surgery.

Intensive courses will be split between theoretical sessions organized by world-renowned experts and hands-on sessions in the experimental lab with all these laparoscopic and robotic technologies supplied.

Considering the development of robotic surgery, the IRCAD urology incorporated a **purely robotic course** with theoretical sessions, live broadcasts and training workshops on anatomical specimens using the surgical robotic systems.

COURSE CANCELLATION POLICY

Should you wish to cancel or postpone your registration, please notify us by email at: cancellation@ircad.fr. Please note that no refund or postponement will be considered for any cancellation received less than 6 weeks before the course starts, even if Visa application has been denied.

Please check our website to see the specific cancellation policy due to the COVID-19 sanitary situation.

THE IRCAD PACKAGE - LES HARAS****

LESS THAN 50 METERS FROM THE INSTITUTE

HOTEL CANCELLATION POLICY

If you wish to cancel or modify your hotel booking, please do not contact the hotel directly, send us a notification by email at: **cancellation@ircad.fr**. Cancellations received earlier than 10 days before the beginning of the course are eligible for full hotel refund. After that deadline, a one-night deposit will be deducted from your refund.

BOOKING POLICY

The deadline for hotel booking is **10 days before the course**. Unfortunately IRCAD cannot guarantee room availability past that deadline. Bookings are made on a first-come, first-served basis. In case of non-availability, we shall do our best to reaccommodate you in a nearby hotel of equal standard.
