THE BEST TRAINING CENTER IN THE WORLD

IRCAD is one of the leading surgical education providers in the world, an ambassador of French excellence in minimally invasive surgery. The Institute offers unique training facilities, and welcomes over 8,800 surgeons from all surgical specialties every year. The remarkable involvement and self-commitment of more than 800 international experts who are recognized as international opinion leaders, is key to the Institute's success.

FULL IMMERSION IN HERNIA SURGERY

Technology is having an increasing impact on the future of surgery. Robotics, patient-specific 3D preoperative simulation, intraoperative augmented imaging, advanced flexible endoscopic operative platforms and tools, precise multimodal treatments, and evidence-based medicine represent the modern cornerstone of personalized surgery.

The course covers a wide spectrum of techniques and approaches specific to the management of inguinal, ventral, and complex abdominal wall hernia conditions. This 3-day course includes live surgery, lectures, and hands-on training on live tissue.

The IRCAD new-generation model of international education and hands-on training epitomizes the absolute best way of learning modern surgery in a safe, cost-effective, and most enjoyable way. Top surgeons from the world over openly share their expertise through live surgery, educational videos, and lectures, both online and on-site.
